15. Email of Marketing Contact

16. Phone Number of Marketing Contact

### **Activity Description**

---

17. Number of 10x10 booth spaces requested. \*

We will do our best to honor your request, however, space is limited.

18. Please describe the activities that will be featured at your booth. Please highlight the hands-on qualities of your proposed activities. \*

19. Please highlight the [science-society framing](#) or discussions that you hope to spark with your activity. \*

20. Please highlight the role of scientists in the creation, organization, or staffing of your activity, if any. \*

21. Will you need electricity as an integral part of your booth activities? This is included at your booth on an as-needed basis. \*

☐ Yes

☐ No

22. Please describe which activities require electricity. \*

23. Will you need internet as an integral part of your booth activities? This is included at your booth on an as-needed basis. \*

☐ Yes

☐ No

24. Please describe which activities require internet access. \*

### Show Description

---

25. Are you interested in submitting a request to make a stage presentation? \*

We are looking for interactive stage shows to last 20 minutes. Stage shows are scheduled every half hour. The stage supports hands-on and computer-oriented presentations, and there is no fee for use of the A/V equipment. Please note, however, that stage opportunities are limited.

☐ Yes

☐ No

26. Please include a title and short description of your stage presentation. \*

## Safety Information

---

27. Are you planning an exhibit or show that will use chemicals? \*

☐ Yes

☐ No

28. Please list the chemicals, how much of each will be used, and the safety precautions you will take if needed. \*

29. Are you planning on incorporating any flammable materials-- open flames, hot coals, propane, gasoline, kerosene, oxygen, helium, etc.-- into your show or exhibit? \*

☐ Yes

☐ No

30. Please describe the flammable materials and the safety precautions you will take. \*

31. Will smoke/fog be a part of your show or exhibit? \*

☐ Yes

☐ No

32. Please describe the source or combination of chemicals that produce the smoke or fog, and the safety precautions you will take if needed. \*

33. Will live animals be a part of your show or exhibit? \*

☐ Yes

☐ No

34. Please list species, number of animals, and indicate whether or not they have any potential to be unsafe [poisonous, sharp teeth, claws, etc.]. If you're not exactly sure which species will come, list all potential options. \*

### Exhibitor Agreement

---

35. Please upload your signed copy of the Family Science Days Exhibitor Agreement. If you haven't done so already, the Agreement is available to [download here](#). \*
