To Register as Press for the Annual Meeting, visit

https://aaas.confex.com/aaas/2025/registration/index.cgi?

Step 1, add your work email address (if you are freelance, we may ask for more information if we cannot easily verify you are a science communicator).

Step 2, if you are in the database already, select yourself (if not, create a new profile). You can edit a previous profile. Hit Save and Continue, then Next Step button.

Step 3, Add the code REVERE (this will reveal press specific questions in Demographics).

SCIENCE SHAPING TOMORROW

AAAS | ANNUAL MEETING
Boston, MA | February 13–15, 2025

Registration ID: 41495   Password: 165698

Registrant > Access Code > Demographics > Registration Options > Payment > Receipt

Registration Access Code

If you were provided with a registration Access Code, please enter it below. Otherwise, you may move onto the next step.

REVERE

Note: This step is only applicable for AAAS Staff and Press applicants.

Step 4, Complete all required fields on Demographics Tab. If you don't see the press specific questions towards the bottom of this page, you'll need to go back a page and add the REVERE code.

☐ NASW
☑ EurekAlert! Member

I am a(n):*
☐ Blogger
☐ Editor
☐ Freelancer
☐ Journalism Professor
☐ Journalism Student
☐ Photographer
☐ Podcaster
☐ Public Information Officer*
☑ Producer
☐ Reporter

Next Step

STOP HERE. You will be pended for approval after completing the demographics page. It will take a day or 2 for us to review and approve your application. Upon approval we 'll send you the confirmation email. AAAS Office of Communications will be in touch closer to the event with updates.

If you need further assistance, contact Kim Klyberg, kklyberg@aaas.org
